## **NEW APC CONSULTANTS**

In order to meet the ever increasing demands for our expertise, APC is pleased to announce the addition of the following new APC colleagues, all of whom are certain to add great value and breadth to our existing team:

- **Kevin** has a PhD in terrestrial ecotoxicology. Before joining APC, he has worked as an ecotoxicologist for a research based multinational agrochemical company, managed his own contract research ecotoxicology company and worked for an international regulatory consultancy. Kevin has excellent experience, particularly with higher tier terrestrial ecotoxicology field studies, ecological risk assessments and dossier writing for agrochemicals.
- **Heino Christl** is a bilingual (German/English) biologist with a PhD in aquatic ecology. Prior to joining APC, he has worked as an ecotoxicologist for a research based multinational agrochemical company, a contract research company and an international regulatory consultancy. He is experienced in study management, risk assessments and dossier writing for agrochemicals and biocides.
