International reach through local focus

NEW APC CONSULTANT

In order to meet the ever increasing demands for our expertise, APC is pleased to announce the addition of the following new APC colleague:

- **Hans** is an engineer in applied agronomy from an agricultural University in Germany. Since graduation in 1968 he has worked for several agrochemical manufacturers in the field of product development and registration. During his career he has been responsible for regulatory work for large multi-national companies in East Europe, CIS countries, Africa and more recently Asia. In the latter region he has excellent contacts in Japan, Korea, Taiwan, China, India, Pakistan, Malaysia Bangladesh, Sri Lanka and Vietnam. His experience also includes managing import tolerance programmes from these countries for vegetables and fruits to be exported into the EU, USA and Japan. Hans is currently based in Hong Kong from where he manages our network of national registration experts in the key Asian countries.
