NEW APC CONSULTANT

In order to meet the ever increasing demands for our expertise, APC is pleased to announce the addition of the following new APC colleague:

- **Josie Tomlinson**, is a Regulatory Ecotoxicologist at the Wetherby APC office. She gained her MSc in Ecotoxicology of Natural Populations at Reading University in 1995. Since 1995 she has worked for 6 years at the Pesticides Safety Directorate (now CRD) and subsequently as a consultant. She is experienced in the evaluation of ecotoxicological data and production of risk assessments, for pesticides, biocides and REACH chemicals, under Directives 91/414/EEC and 98/8/EC and Regulation (EC) No. 1907/2006 respectively. Additionally she has experience of the Water Framework Directive (2000/60/EC) and its daughter directives with respect to priority substances.
